

## SHARE YOUR SPECIAL POPS STORIES (and the stories around you)

We need your help capturing Special Pops news, moments, announcements and more. If you have a story or you hear something that is worth sharing, please be our SPT ambassador and email your thoughts to us at [serve@specialpopstennis.com](mailto:serve@specialpopstennis.com). It doesn't have to be perfect – just enough for us to generate content.

### What type of content?

- Stories about an athlete, coach, volunteer, partner, etc.
- Awards, shout-outs, special days/ holidays (Georgia Gives Day), thank you notes
- Fun facts, quotes (from athletes, volunteers, audience members, etc)
- Relevant articles worth sharing (These do not have to include Special Pops. It could be an awesome article about tennis, Special Olympics, nonprofits or anything relevant to SPT.)
- Pictures and videos (from practice, tournaments, fundraisers or even an informal event)

**\*Must have approval** from anyone involved in the info you're sharing or if he/she is visible in a photo or video.
